HB 444

Mr. Chairman and committee member, my name is Paul Sihler and I am the Administrator of the Field Services Division of the Montana Department of Fish, Wildlife and Parks (FWP). I am here to provide information on HB 444.

FWP currently administers several programs that provide hunting access to private or public lands, and we believe that HB 444 complements our existing programs. We understand what the bill asks the Department to do, and believe we can implement these responsibilities. I'm happy to answer any questions and thank you for the opportunity to testify today.
